Service
- Warranty: 1 year(s)

Packaging dimensions & weight
- Height: 13 inch
- Length: 11.6 inch
- Depth: 8.9 inch
- Weight: 5.732 lb

Miscellaneous
- Especially designed for: Garden & Patio
- Style: Modern
- Type: Wall light

Highlights

Modern style
The Modern style encapsulates the art of understatement. Simplicity and functionality are key, designs are often stark and minimal. With fewer elements to distract your eyes, modern design quality is reflected by the craftsmanship, intrinsic beauty, and even technology found in the materials used. The spirit behind Modern Design is to challenge the norm, to push the creative boundaries.

Outdoor
Outdoor lighting can improve the look of your garden or outside space, illuminating eye-catching features, lighting pathways with style or creating the perfect ambience for those memorable evenings with friends and family.

Matching pieces
This collection also provides a wide variety of accompanying fixtures in different sizes and finishes making it easy to outfit your entire home.

Wet
UL Listed for Wet locations

ADA
Complies with American Disability Act (extends less than 4 inches (102 mm) away from the wall).

Saves up to 80% energy

This lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Standard ballast
Electronic ballast is dedicated 120V, which makes it ideal for residential applications.
